1. The insurance would not have been approved if we had known the truth; and
2. We have given you or any other person claiming benefits a copy of the signed written instrument which contains the misrepresentation.

We will not use a misrepresentation to reduce or deny a claim after the insured's insurance has been in effect for two years during the lifetime of the insured.

Any statement made by the Policyholder or Employer to obtain the Group Policy is a representation and not a warranty.

3. Continue insurance under the Group Policy otherwise validly terminated.

B. The Policyholder and your Employer act on their own behalf as your agent, and not as our agent.

If a person's age has been misstated, we will make an equitable adjustment of premiums, benefits, or both. The adjustment will be based on:

1. The amount of insurance based on the correct age; and
2. The difference between the premiums paid and the premiums which would have been paid if the age had been correctly stated.

LI.CE.OT.2

TERMINATION OR AMENDMENT OF THE GROUP POLICY

The Group Policy may be terminated by us or the Policyholder according to its terms. It will terminate automatically for nonpayment of premium. The Policyholder may terminate the Group Policy in whole, and may terminate insurance for any class or group of Members, at any time by giving us written notice.

Benefits under the Group Policy are limited to its terms, including any valid amendment. No change or amendment will be valid unless it is approved in writing by one of our executive officers and given to the Policyholder for attachment to the Group Policy. If the terms of the Certificate differ from the Group Policy, the terms stated in the Group Policy will govern. The Policyholder, your Employer, and their respective employees or representatives have no right or authority to change or amend the Group Policy or to waive any of its terms or provisions without our signed written approval.

We may change the Group Policy in whole or in part when any change or clarification in law or governmental regulation affects our obligations under the Group Policy, or with the Policyholder's consent.
