

Kansas Board of Regents

Incoming KPERS Transfers

If a KPERS member transfers to your Board of Regents employer and to a position covered by the Board of Regents Mandatory Retirement Plan, have him or her complete:

- [KPERS-3BOR](#) form (Retirement Plan Election for Kansas Board of Regents Employees).
- KPERS-1 Online Enrollment Request on the [Employer Web Portal](#).
Be sure to select "Group C" for item #13 on the KPERS-1.

Use these forms if the member transfers to your agency from another state agency, a local agency or a school.

Keep On Earning Interest

These forms will help our system identify this type of KPERS member as being **not qualified to withdraw or retire from KPERS**. It also informs the system that this member's KPERS record **should continue earning interest**.
