

## Member Annual Statements eMAS for All

KPERS has moved to electronic delivery of member annual statements (eMAS) for all employers.

### Easier Now

You'll get an email when statements are ready, and then another email to forward to employees. **That's it!**

- Enhanced privacy
- No envelopes to hand out
- No wait for shipping

Each employee can access his or her statement through his or her **online account**.

If you absolutely need paper statements, [email](#) us to opt out of eMAS.
