

KPERS Membership Guide

Service Multiplier Error

We slipped up. We missed a typo in the **Membership Guide**, KPERS 1 & 2. We have a fix, but we need your help.

The Typo

On page 26, the multiplier for KPERS 1 participating service earned *before* January 1, 2014, is listed as 1.85%. The actual multiplier is 1.75%.

What You Need to Do

- Dispose of any guides you have.
- Order a [new supply](#) if you need it. Available October 1.
- PDF is ready now. [KPERS Membership Guide](#)

Other Resources

- [Benefits at a Glance](#) covers all the basics.
- [KPERS.org](#) always has lots of great benefit info.
