

Summer Pay for Schools It's Coming

It's right around the corner, but don't fear. We have some refresher resources to help you get ready.

Summer Pay will be ready to process on the last payroll in May, for those of you who start next month.

One Small Change

Instead of doing it once for the whole summer, now you'll need to click "No Summer Pay" every month for non-licensed employees who do not receive wages during the summer.

Rate Reminder

Your working-after-retirement employer contribution rate will go up July 1.

Working-After-Retirement Member Earnings	Employer Contribution Rate	
Less than \$25,000	13.21% (now)	14.41% (as of 7/1/19)
\$25,000+	30%
