

NEW Member Annual Statements Easier & Better

Members Spoke

Members told us their annual statements had a lot of extra info. They just wanted the basics, like their account balance and benefit estimate info. And they wanted these basics easier to find and understand.

We Listened

Based on this member feedback, we redesigned the annual statements. Take a little time to get acquainted with the new Member Annual Statements coming out early this spring.

- [Quick Vid tour for employers](#)
- [Fact sheet with more details for employers](#)

We'll send info for members closer to statement distribution time. Just wanted to give you a heads-up.
