

New Employer Portal Sneak Peek

The screenshot shows the KPERS Employer Portal interface. The top navigation bar includes the KPERS logo, a 'Full Menu' dropdown, and user information: 'Welcome user name', 'Your Employer: 0000', and a 'Home' link. The left sidebar contains navigation categories: EMPLOYER (Home, Employer Info), EMPLOYEE INFO (Enroll, Look Up), PAY REPORTS (Submit Report, Adjustment), and MISC (Invoices, Certification, Optional Life, History, Reports). The main content area features three circular action buttons: 'Pay Reports', 'Enroll Employee', and 'Optional Life', along with a 'Lookup Employee' search box. Below these are four colored tiles: 'Messages', 'Secure Upload', 'Adjustment', and 'Invoices'. A 'To Do' list is displayed, containing items like 'Active Death Certification (2)', 'Adjustments (2014 and Before) (1)', 'Adjustments (2015 and After) (13)', 'OGLI REPORT (3)', 'Pay Reports (5)', 'Retirement Certification (11)', and 'Withdrawal Certification (4)'. A calendar for March 2018 is shown on the right, with the 26th highlighted in green. The footer of the page reads 'Kansas Public Employees Retirement System © 2018 | Private Policy & Disclaimer.'
